A close-up, low-angle shot of a LEGO model of the Avengers Tower. The building is constructed from grey and black bricks, with a prominent 'A' logo on the right side. The logo is made of blue and silver bricks. The background shows a dark, stylized cityscape with other buildings. The lighting is dramatic, with a strong blue and teal color palette.

EARTH'S MIGHTIEST HEADQUARTERS

In *The Avengers*, Tony Stark's beacon of self-sustaining clean energy is a formidable focal point on the Manhattan skyline. Severely shattered in the climactic Battle of New York, the Avengers Tower rises from the ashes to become the official assembly of Earth's mightiest heroes. A detailed, architectural gem featured in so many memorable scenes throughout Marvel's Infinity Saga, the Avengers Tower has long been on LEGO® Marvel fans' wish list – and an irresistible challenge for the LEGO design team!

Mark Stafford,
Senior LEGO® Model Designer

Justin Ramsden,
Senior LEGO® Model Designer

FROM THE DESIGN TEAM

Based on the Avengers Tower as seen in *Avengers: Age of Ultron*, the building itself is a fascinating structure. The rear is much wider than the front, and the concave side has a twist to it. Just as the film model evolved over time, we modified the twisted double inverse curve to make our model structurally sound and incorporate the removable wall to reveal the detailed interior. Get ready to explore a cornucopia of action scenes, more than 30 characters and fun Easter eggs from Marvel's Infinity Saga, from the Chitauri invasion to containment pods and hidden Pym particles!

Mark Tranter,
LEGO® Graphic Designer

MAKE YOURSELF AT HOME

From the lobby to the rooftop, each floor represents scenes with the heroes and villains of the Infinity Saga. You'll find Wanda Maximoff and Vision battling Ultron, Tony Stark examining Loki's sceptre/'glow stick of destiny' or working on his Iron Man suits with Ms. Potts, Dum-E fighting fire hazards (actual or perceived), and who can forget the Hulk 'Puny God'-smashing Loki through the floor, or Captain America admiring his own... well, if you know, you know. Ready to move into your new headquarters? Feel free to bring your own shawarma.

BUILDERS, ASSEMBLE!

Avengers Tower is now yours to assemble.
We hope you'll love it 3000 and
enjoy the experience!

As we added supporting spacing bricks under the floor, we heard Tony Stark in *Iron Man* on repeat in our heads: 'Tell you what, throw a little hot rod red in there'. So, we did.

We think that second figure looks great, Cap. As far as we're concerned, that's America's tube-side.

STAR K
